

Xcluder® Dock Door Vertical Side & Top Seals

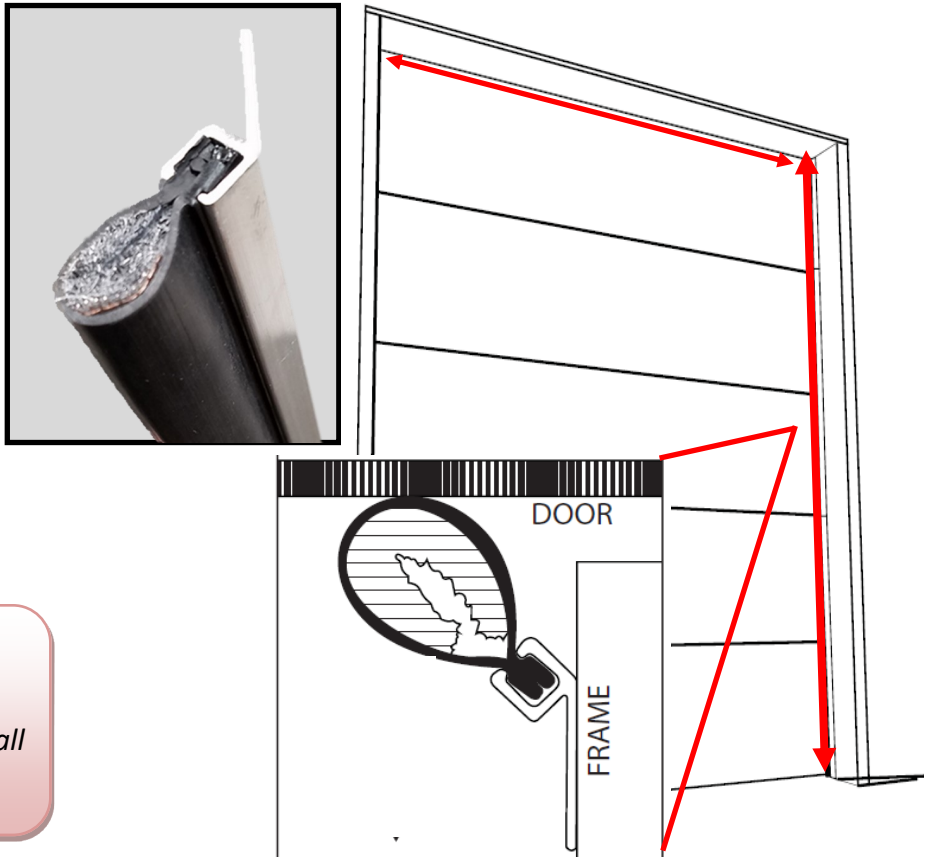

Rodent Proof Side Seals with Slide-'n-Seal Technology

Ideal for: Food Processing Facilities • Storage and Warehouse Facilities • Food Distribution Centers • Grocery Stores • Pet Stores • Supercenters • Any location that requires reduced or eliminated chemical pest control

Unprotected dock doors are an open door for rodents and other pests.

Xcluder® Dock Door Vertical Side Seals feature our patented Xcluder fill fabric, providing a barrier that is impenetrable to rodents and other pests. The durable rubber provides a dependable weatherseal that can pay for itself in energy savings.

Xcluder® Dock Door Vertical Side Seals are easy to install and fit most doors.

For complete protection of the facility, we recommend Xcluder® Door Bottom Seals, Door Sweeps, and Dock Leveler Seals for all dock and access doors.
